

Directions: Read left to right. All vowel sounds are short. Students may "stretch and say" to sound out these decodable words. Below the line read the high frequency words left to right. The goal is to read each word within 3 seconds.

sht cash shop rush wish

fish crash ship smash lash

back rack tack sick quick

neck deck lock rock cluck

flash clock shelf slush slick

---

another other their also too

most very want some come

here where there from for

all also your you another

to two too who other

where how why their there

Practice reading the sentences fluently. The bold words are nondecodable high frequency words and therefore cannot be sounded out at this point.
