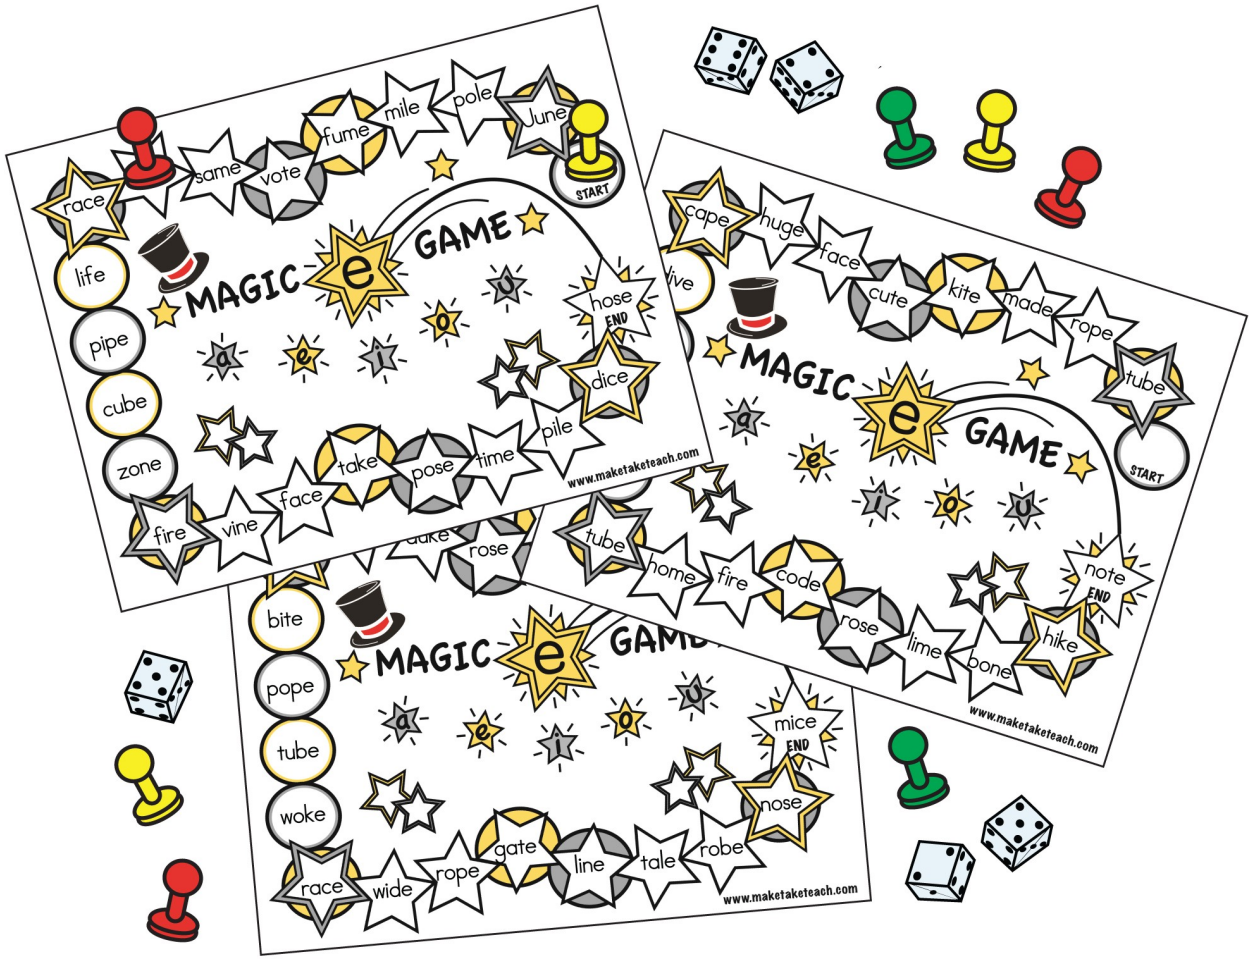
Phonics

Magic e

Magic e Game Boards



Activities for Small Group Intervention

www.blog.maketaketeach.com

Directions

You will Need:

- Game marker for each student and a die

To Play the Game:

Place a game board on the table. Each student takes a turn rolling the die, moving the appropriate number of spaces and reading the word on the space (option: reading all the words along the way). The first player to reach the end wins the game.
